ANOTHER GREAT EVENT BROUGHT TO YOU BY THE  
[internationaltrackmeet.nz](http://internationaltrackmeet.nz)

International Track Meet and International Track and Field Trust would not exist without these organisations. These are the companies, people and brands that help ensure we make the start line!

KEY PARTNERS

Thank you on behalf of OUR sport.

**It is a great privilege to welcome everyone back to the International Track Meet at Christchurch's Ngā Puna Wai Stadium.**

**Track is Back.** We could not be more excited to have a new home to continue this special event.

From the first few events at QEII to the nostalgic racing on Grass at Christ's College, and to the innovative street events, The International Track Meet has been the premier event on the New Zealand Athletics Calendar, drawing world class athletes from all over the world to compete against the best New Zealand has to offer.

I have no doubt we will see new Kiwi stars put their foot forward at Ngā Puna Wai, and continue to keep the strong ITM tradition alive.

I welcome all athletes, officials, supporters, sponsors, and fans to this wonderful occasion, and wish you all the best on this exciting day that brings back our favourite track meet to Christchurch once again.

May there be many more years to celebrate in the future.

Nick Willis

Patron - International Track Meet

**Welcome back to International Track Meet! We are thrilled to see you at Ngā Puna Wai for ITM23 Full Noise. This means crowds and spectators, the best NZ athletes, international athletes, an excellent facility, our awesome ITM Luncheons, and finally launching The FAST Five!**

It has been a journey and a half to get to this point. The International Track and Field Trust was established to ensure top quality athletics promotion in NZ, to support our athletes development for generations to come. We are now onto our second generation of athletes, but in many ways feel like we as an organisation and series of events have arrived at the start line.

We need support in all areas to realise our vision and approach top speed. If you have passion, deliver results and are keen, we would love to have a chat about how you can help OUR sport.

We welcome you, our international athletes from Samoa, Australia, Germany and Great Britain, our incredible New Zealand athletes, our fabulous officials and volunteers, our corporate partners and funders, our exceptional coaches, our media partners and excellent suppliers. Sit back, relax with food, and drink and make some noise to push OUR athletes to great performances.

World Athletics ranking points are on the line, these are invaluable for the majority of athletes wanting to qualify for major championships. This was the sole reason ITM22 For The Athletes was held.

We also invite you to compete at The FAST Five, this will be held annually, one hour before the ITM. The FAST Five is an integral component of ITM designed to give YOU an opportunity to compete, ensuring the best atmosphere and crowd at a NZ athletics meet, in addition to a much needed source of revenue.

Best wishes for your day ahead, the coming season and your longer-term goals. Thank you.

**Leyton, Paul, Craig and the wider International Track Meet team and supporters**
