BRINGING THE WORLD
TO CHRISTCHURCH

International Track Meet and International Track and Field Trust would not exist without these organisations. Support the companies, people and brands that ensure ITM makes the start line! Thank you on behalf of OUR sport.

KEY PARTNERS

ITM would like to acknowledge and thank the Southern Cancer Society for assisting with our athlete accommodation, and encourage all our partners and guests to support their work.

Message of Welcome from Phil Mauger, Mayor of Christchurch.

Nau mai, haere mai.

I am delighted to welcome all of the competitors, officials, volunteers and supporters to Ōtautahi-Christchurch for the International Track Meet at Ngā Puna Wai Stadium.

As Christchurch's premier outdoor sports facility, Ngā Puna Wai provides a fantastic venue for the event. We look forward to seeing New Zealand's top athletes competing against athletes from all over the world and showcasing their talents

to the Christchurch community. I know our local residents will ensure this event is well supported and provide the warm welcome we Cantabrians are known for.

Our new city is a great place for visitors to explore with a plethora of recreational opportunities to enjoy at our doorstep. Alongside beautiful parks and gardens, our modern central city has taken shape.

I hope those of you visiting the city take advantage of some of the incredible sights, tastes and experiences that Ōtautahi Christchurch has to offer.

Best of luck to all of the athletes taking part, I wish you all the best for a successful weekend.

Phil Mauger
Mayor of Christchurch

Welcome back to the International Track Meet for 2025. We are excited to welcome you to Ngā Puna Wai for ITM25, with the biggest international track & field contingent in New Zealand.

Last year it felt like the ITM had finally come of age, and this year we are excited to continue that journey by welcoming the cream of NZ track & field to join our overseas visitors again. Together we hope they will inspire the next generation of athletes on their development pathway. We're delighted to once again have the opportunity to showcase track & field to the people of Christchurch and New Zealand and promote Christchurch to the world.

To all of our wonderful ITM athletes, whether you're local, from around New Zealand, or around the world – Nau mai, haere mai. Welcome to Christchurch and Ngā Puna Wai. Welcome also to all the children who competed in this morning's competitions, we hope that you will follow the pathway of Tom Walsh, Angie Petty, Lauren Bruce and others who competed in this event as unknown youngsters and have gone on to achieve incredible feats.

Thank you to everyone who has contributed to the delivery of the ITM, we couldn't do this without you. We still need a lot of support to realise our vision and take this event to the next level. If you have passion, skills, enthusiasm, and can deliver results, we would love to chat about how you can get involved and help us grow the sport we all love. Or if you have the ability to help us secure the financial future of the event for generations to come, please talk to us about our Supporters Club, or Guardians programme.

Make yourself comfortable, support all of our wonderful athletes, MAKE SOME NOISE, and enjoy the show.

We wish you all the very best for the season ahead, and for your longer-term goals.

Craig, Leyton, Paul, and the wider International Track Meet team and supporters

The World Athletics Continental Tour is an exciting series of the best one-day Meets in the world outside of the Diamond League.

The Meets are all existing fixtures and are a mix of privately-owned and national federation owned properties.

The Continental Tour criss-crosses the globe and each of the six (6) continental geographical areas to encompass more than 100 meetings throughout the world across the three categories.

The Continental Tour is a showcase for the top athletes, it also provides the international competition and qualification pathway opportunities for the majority of international athletes as they prepare for the year's major championship, in addition to an important revenue stream for athletes.

The Continental Tour consists of three easily understood categories – Gold, Silver & Bronze – ranked by level of prize money, broadcast offering and overall quality.

ITM24 was NZ's biggest ever one-day International Track and Field Meet – Sixteen Nations.

Fun ITM Fact:

ITM24 was NZ's biggest ever one-day International Track and Field Meet – Sixteen Nations.

New Zealand, Australia, Belgium, Cameroon, Canada, Chile, Great Britain, Hong Kong, Ireland, Japan, Luxembourg, Malaysia, Nigeria, Samoa, Singapore, USA. We believe the only events in NZ's Track and Field history to have had more countries compete in New Zealand are the 2011 IPC World Championships, 1990 Commonwealth Games, 1981 World Veterans (Masters) Champs, 1975 New Zealand Games and 1974 Commonwealth Games.
