## **Message of Welcome from Phil Mauger, Mayor of Christchurch.**

Nau mai, haere mai.

I am delighted to welcome all competitors, officials, volunteers, and supporters to Ōtautahi-Christchurch for the International Track Meet at Ngā Puna Wai Sports Hub. As Christchurch's premier outdoor sports facility, Ngā Puna Wai provides a fantastic venue for the event. We look forward to seeing New Zealand's top athletes competing against athletes from across the globe, showcasing their talents to the Christchurch community. I know our residents will ensure this event is well supported and provide the warm welcome we Cantabrians are known for.

Christchurch's sporting amenities are ensuring our city becomes the sporting capital of New Zealand. If you're from out of town, I encourage you to visit Parakiore, the largest aquatic and indoor recreation venue of its kind in the country. It opened at the end of 2025 and will host local, national, and international events, as well as serve as a fantastic place for people to exercise and play.

We're also proud One New Zealand Stadium is set to open in April this year – on time and on budget, and with a Super round of rugby scheduled for late April 2026.

Our new city centre is also a great place to explore, and I hope you take advantage of some of the incredible sights, tastes, and experiences that Ōtautahi Christchurch has to offer.

Once again, welcome, and best of luck for a successful competition.

**Phil Mauger**  
Mayor of Christchurch

## **Good afternoon and welcome to the 2026 International Track Meet!!**

We are looking forward to ITM26 continuing in the long tradition of bringing international quality track & field right here to Ōtautahi Christchurch, with NZ's best against athletes from Australia, Japan, and around the globe.

We have some exciting match-ups across the park for you today, with the cream of NZ athletics in attendance. We'll see our two big men, 2025 champion Tom Walsh and 2024 champion Nick Palmer, in the Novaspace Pools BIG Shot event, and on the Para side we'll see two of NZ's most successful female throwers, Lisa Adams and Holly Robinson, battling it out.

NZ's fastest man Tiaan Whelpton will be in action on his home track in the Christchurch City Council 100m, and what a mouth-watering occasion it will be. In the last few weeks, Canterbury's favourite speedster has run a wind-assisted 10.02 in Whanganui and a wind-legal NZ Resident Record equaling 10.10 in Auckland – both times within the blink of an eye from breaking the magical 10sec barrier. Will today be the day we witness history, and see a Kiwi run sub-10 for the very first time??

We also welcome the New Zealand championships back to the ITM, with the Athletics NZ National Senior Men's and Women's 3000m medals to be contested later in the programme. And of course, we'll see our crowd favourite relay events featuring boys and girls from local clubs aged from 10 to 13, as well as the open relays which will include our ever popular Secondary Schools Challenge.

All of this is part of our commitment to providing a development pathway for those aspiring to follow in the footsteps of Hamish Kerr and Tom Walsh, and go all the way from local athletics to the very top of world track & field.

Sit back and enjoy the show, and don't forget to make it loud and cheer our heroes on to their best efforts. Thank you for your support.

**THE INTERNATIONAL TRACK & FIELD TRUST.**

#### Fun ITM Fact:

We trace the history of and inspiration for the ITM back to **the 1974 Commonwealth Games, held here in Christchurch at QEII Stadium**. Did you know that the NZ Men's Allcomers Records for 800m, 1500m, 5000m, 10,000m, and Marathon are all still standing from those Games, after 52 years?
